Eurofins BPT Sydney End of Year Schedule 2026

Thank you for partnering with us in 2026. We truly appreciate your trust and the opportunity to support your biopharma testing programs throughout the year.

As we move into 2027, our commitment to quality, innovation, and exceptional service remains stronger than ever. We look forward to continuing to work together and supporting your testing needs.

Please see our holiday schedule below. We wish you a Merry Christmas and a safe, relaxing, and prosperous New Year.

Samples will be received daily, with the exception of public holidays. To ensure testing can be completed before year-end, please submit samples by the dates outlined below. Samples received after these dates will be scheduled for testing from January 2027 on a first-come, first-served basis.
