PLFA-analyse: extra potje
met rode deksel vullen en in
grote koeling in PLFA bak
zetten

Eurofins Agro sample numbers
Code RM: H508

Dienstverlening: 40

Remarks

Attention: Please check if there are no large objects (stones and/or other objects) in the soil sample. This is very important for the safety of our employees.

Storage and transport
Send samples to:

- Collect the soil, substrate and compost samples in plastic or plasticized bags. Collect water samples in a sterile bottle.
- Write down the sample number and/or description clearly on the bag, according to this order form
- Close the sample bag tightly and prevent the sample from drying-out
- Keep the sample cool and dark until it is ready to be sent
- Handle the sample with care
- Send the sample to the lab as soon as possible

Eurofins Agro
