

Lablink

Introduction

Eurofins Lablink is proud to introduce BioTrak+, our next generation track and trace solution designed to deliver greater visibility, accuracy, and efficiency across all logistics operations.

BioTrak+ offers real-time shipment monitoring, an intuitive booking system, and full compliance support—enhancing customer satisfaction at every stage.

As Ireland's leading pathology transport provider, As Ireland's leading pathology transport provider, Eurofins Lablink manages a high volume of nationwide and international shipments every month. To support continued growth and improve service quality, BioTrak+, developed in conjunction with Sedacis, is installed across all of our operations, streamlining processes, strengthening traceability, boosting efficiency, and improving the client experience, as well as delivering significant benefits for all stakeholders.

Key Features

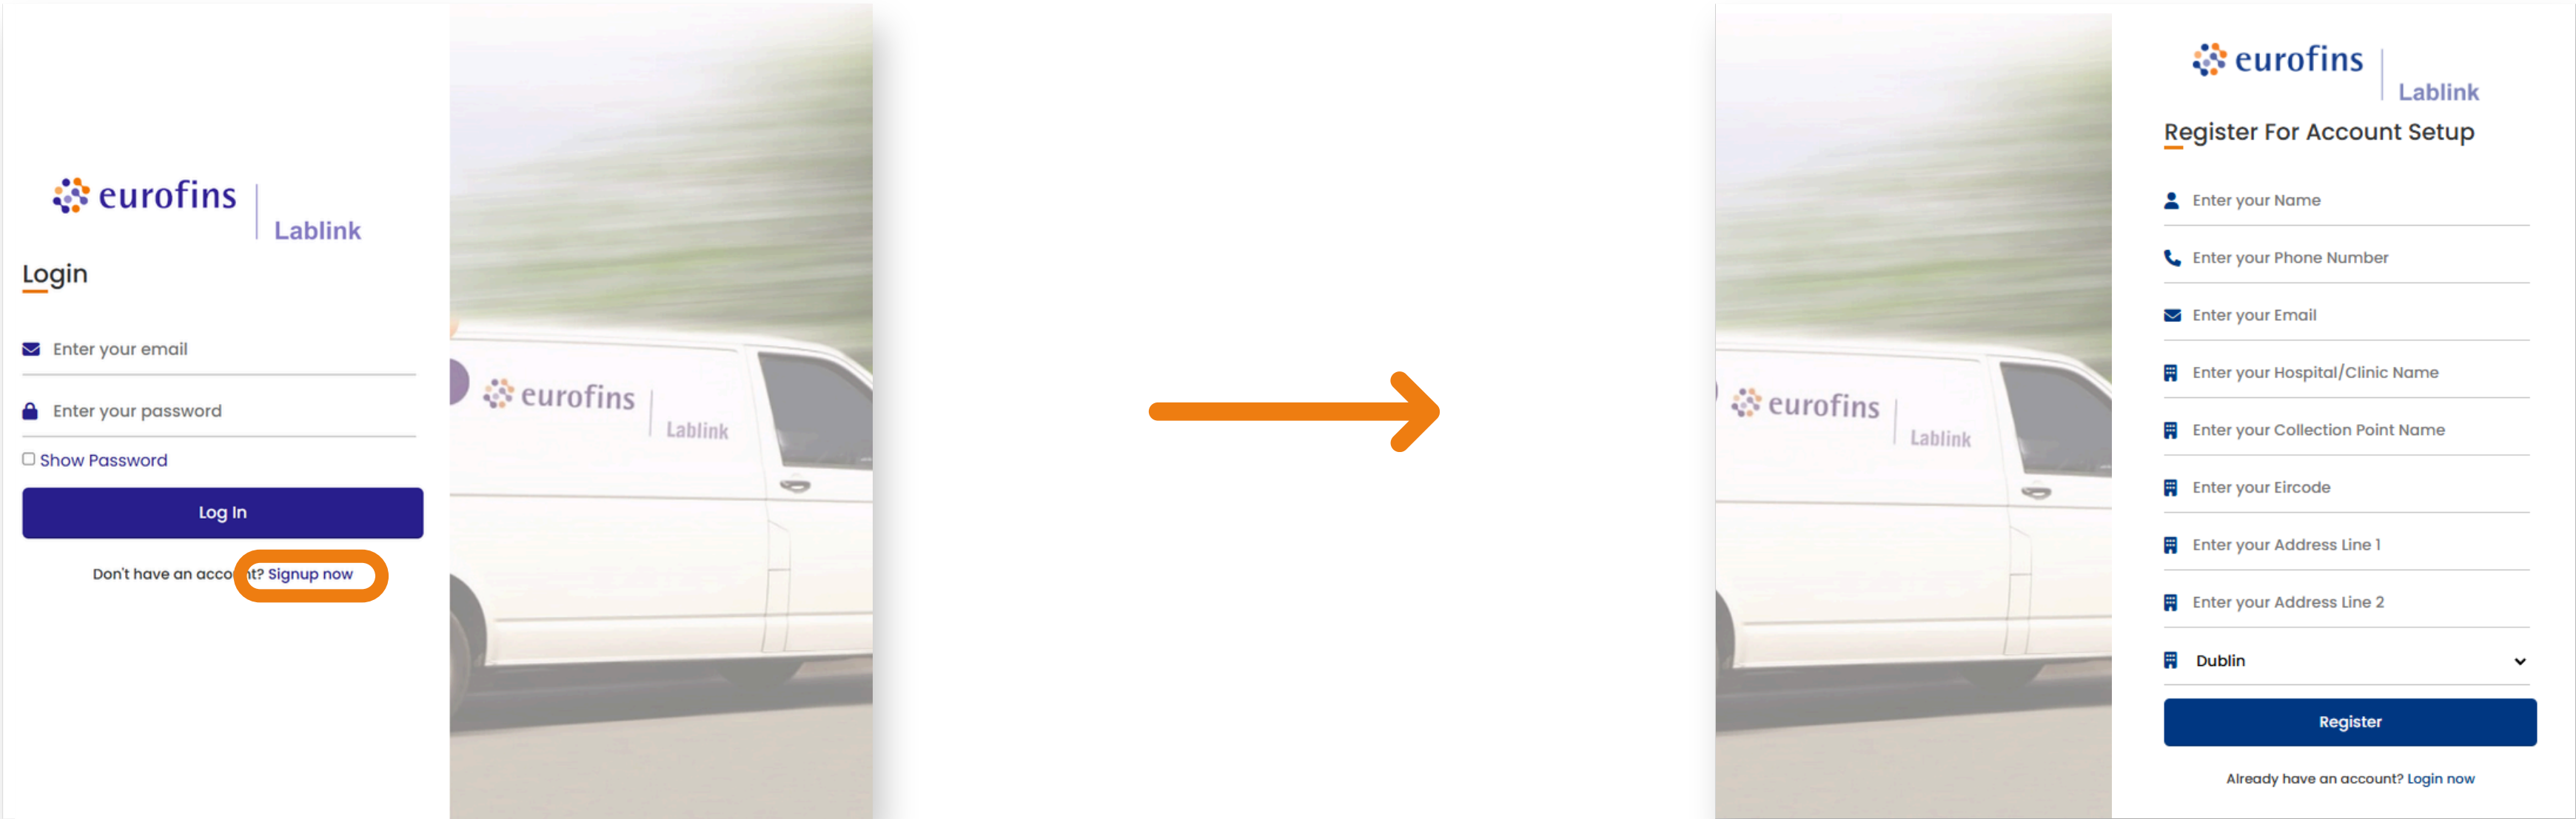

- **Real-Time Tracking** Monitor shipments with live updates, reduce delays and improve transparency.
- **Advanced Traceability** Full audit trail for every item, from origin to destination, ensuring compliance with industry standards.
- **Smart Alerts & Notifications** Automated alerts for status changes, delays or exceptions to keep stakeholders informed.
- **Secure & Scalable** Built with robust security protocols and designed to scale as business grows.
- **Easy to Use & Control** Designed with client in mind, making the booking process seamless from start to finish whilst giving the client greater control on bookings via the one stop web portal.

Step 1: Register for BioTrak +

Log onto portal.biotrakplus.ct.ie.eurofins.com & save this address as a bookmark on your web browser.

Select “**Signup Now**” & complete all fields. Once you click “**Register**” you will be sent a confirmation email that we have received your request for approval. The first person to register will act as the ‘**Approver**’ on the account.

Step 2: Approval & Adding Users

Once Eurofins Lablink has approved your account, you will receive an email to **“Create Your Password”**. Once this step is complete you will have the ability to **login to BioTrak+**.

The first step is entering your registered email address & **select “Send OTP”**. This will send you a one-time code to your email & will refresh the page. Re-enter your email address & the one-time code along with your password & select **“Confirm”**.

Home Screen

On the home page you will have the following option. Please Select “Account Settings”. The first step will be to add your Relevant Departments & Users within these Departments.

Create Department

In this section there are two options to create a department & add user.
Select **"Add Department"**, fill in the desired department name and click **"Save"**.
Repeat this process for all departments you require.

Add User

Select **"Add Users"**. Please fill in the relevant fields for the new user & select the department you wish to assign this user to. This will assist you when making a booking & the consignor details will auto populate later on. Once you have selected **"Save"**, the added user will receive an email to **"Create Your Password"** like you previously received.

The screenshot shows a web application interface with a sidebar on the left containing the Eurofins Lablink logo and navigation links like 'Account Settings', 'ADD DEPARTMENT', and 'ADD USER'. The main content area displays a modal window titled 'Add User' with a blue header bar. Inside the modal, there is a 'User Details' section with the following fields: 'Contact Name: *' (text input), 'Contact Email: *' (text input), 'Contact Phone: *' (text input with a placeholder for international dialing), and 'Departments:' (a list of checkboxes). The departments listed are 'Pre-Analytics', 'Logistics', 'Autolab', and 'Sales & Marketing'. At the bottom right of the modal are 'SAVE' and 'CANCEL' buttons.

Step 3 (a): Create a Booking (Nationwide / Local)

Select “**Book a collection: Local / Nationwide**”. On this page, your ‘consignor’, company information will **auto-populate** based on the account you are logged into
