RE: Radon Laboratory Certification, number: KS-LB-0011

Dear Eurofins Environmental Testing Radon LLC ,

The Kansas Department of Health & Environment has received and approved your application for certification as a Radon Laboratory. Enclosed is your certificate number KS-LB-0011, in both regular & ID form.

If your name or address changes, please notify the department within 30 days. To renew your certificate, the renewal application must be submitted at least 60 days before the expiration date: 2/29/2028.

Radon measurement and mitigation businesses and radon measurement laboratories are required to report testing, analysis, and/or mitigation data to KDHE each quarter.

For more information on Kansas radon regulations and data reporting requirements, please refer to our website at: <http://www.kdheks.gov/radiation/radon.htm>. If you have any questions, please do not hesitate to contact this office at the phone number listed above or kdhe.radon@ks.gov. Please reference the above certification number in any correspondence.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Ungerer".
