

Mobile Privacy and Personal Information

Security of Your Personal Information

The Eurofins EMLab P&K LabServe® Mobile App strictly protects the security of your personal information and honors your choices for its intended use. We carefully protect your data from loss, misuse, unauthorized access or disclosure, alteration, or destruction.

Your personal information is never shared outside the company without your permission. Inside the company, data is stored in password-controlled servers with limited access. Your information may be stored and processed in the United States or any other country where Eurofins EMLab P&K, its subsidiaries, affiliates or agents are located.

You also have a significant role in protecting your information. No one can see or edit your personal information without knowing your password, so do not share it with others.

You are responsible for maintaining the confidentiality of your password and account information. Furthermore, you are responsible for all activities that occur in your account and you agree to notify Eurofins EMLab P&K immediately of any unauthorized use of your account. Eurofins EMLab P&K is not responsible for any loss that you may incur as a result of any unauthorized person using your account or your password.
