The Florida Department of Health sends notices, collects fees, approves training, issues certificates, and handles enforcement for radon businesses, specialists and technicians. Certification is governed by Chapter 404, Florida Statutes and Chapter 64E-5, Florida Administrative Code.

A renewal notice will be mailed to you prior to the expiration of this certification. If you have NOT received your renewal notice within two weeks of your expiration date, call (850) 245-4288, fax: (850) 414-9069. You are required to notify this bureau, in writing, within 10 days of any name and address changes so you will receive a renewal notice which will permit you to continue your certification without interruption.

It is violation of Chapter 404, Florida Statutes and the requirements of Chapter 64E-5, Florida Administrative Code:

- to perform radon services with expired certificate or no certificate;
- if businesses only certified for mitigation perform measurement services;
- if businesses do not submit monthly measurement or mitigation reports of radon services performed by the 15th of the following month.

Note: Send updates regarding the certified individuals that are employed or affiliated by your business as changes occur to the state.
