

Eurofins Environmental Testing Radon, LLC dba Alpha Energy Labs, Paul Fletcher, President
2501 Mayes Rd Ste 100
Carrollton TX 75006-1378

Pursuant to the Radiation Control Act of 1963, and the Nebraska Regulations for Control of Radiation - Ionizing, Chapter 11 and in the reliance on statements and representations heretofore made by the licensee designated below, this license is hereby issued. The license is subject to all applicable rules, regulations, and orders now or hereafter in effect of the Nebraska Department of Health and Human Services and to any conditions specified below.

All radon measurement activities, both performed and supervised, shall follow U.S. Environmental Protection Agency Radon Measurement Standards (EPA 402-R-93-078) and the requirements of Title 180, Chapter 11 of the Nebraska Regulations for Control of Radiation. Except as specifically provided otherwise by this license, the licensee shall conduct its program in accordance with the statements, representations, and procedures contained in the license application documents, including any enclosures, listed below. 180 NAC 11 shall govern unless the statements, representations, and procedures in the licensee's application and correspondence are more restrictive than the regulations.

RE: Radon Measurement Business License RMB-1014

Your application package for radon business licensure in Nebraska has been approved. You may now engage in radon activities. Should further review reveal any deficiencies, you may be asked to provide additional information to our office.

As a licensee, please be sure to:

- Implement the quality assurance plan provided with your application package to ensure you are generating accurate and reliable measurements for your clients.
- Submit a report to our office by the 15th day of each month of all measurements conducted during the previous month.

Current radon regulations can be found at: [http://www.sos.ne.gov/rules-and-regs/regsearch/Rules/Health and Human Services System/Title-180/Chapter-11.pdf](http://www.sos.ne.gov/rules-and-regs/regsearch/Rules/Health%20and%20Human%20Services%20System/Title-180/Chapter-11.pdf)

Changes to your contact information should promptly be relayed to us. We can be reached at DHHS.HealthHazardsIndoorAir@nebraska.gov or 402-471-1005.

Sincerely,

Adrienne Moody
Health Program Manager II
